Volunteers Needed!

Volunteer Transportation Services (VTS) is a new transportation service for older adults, people with disabilities, and veterans. VTS is now recruiting volunteer drivers. Volunteers complete a full day orientation, an online Proactive Driving course, a criminal and driving background check in addition to complete a drug screening. Make a difference! Become a volunteer today!

For more information call 844-VTS-RIDE or email centralinavts@centralina.org

Who can qualify as a driver?

Any adult, 21 years or older, with a good drivers record, a safe and insured vehicle, and a standard NC drivers license may volunteer.

What about insurance?

All volunteers are covered with $1 million in supplemental liability insurance.

How long of a time commitment is required?

You can volunteer when you want, as much as you want. It's up to you!

What will I receive as a volunteer?

We hold regular volunteer recognition events. We also reimburse drivers for miles driven.

Is there training involved?

All volunteer drivers must complete an initial orientation training. Volunteers can also attend a AAA Proactive driving course for free.

What kind of skills do I need?

VTS is all about helping people in a prompt, courteous and reliable manner. Safe driving and customer service skills are important to making each trip a success.
